Interior Architect: Kerstin Leijdekker, Hofheim, Germany

Dyckerhoff AG
Headquarter
Biebricher Straße 69
Wiesbaden

Completion date: 2009

Products:
crossline

Models of the **crossline** series were used in the form of rotating office chairs and conference chairs. Photos: © Uwe Dettmar

In an area of 450 m², Kerstin Leijdekker brought together the workstations of 28 staff, who were previously separated from each other. The result was not only transparent office spaces but also a conference room and a central meeting point.
