

Vodafone, Learning Center, Milan
Architects: Studio Benini & Partners, Milan

Vodafone
Learning Center di via Bosio
Milan
Italy

Year of completion: 2007

Products:
**no limits, open up,
open mind**

For the Vodafone classrooms, the mobile and freely configurable **no limits** tables were selected. **open up** and **open mind** rotating chairs were used for the seating. An especially notable feature is the coloured membrane used for the backrest.

The backrest membranes in Vodafone's corporate colour are a special feature but indicate the range of possible colours which are offered in the standard program and are an interesting alternative to black and white.
